CREDENTIAL REQUESTS

Please direct all credential requests to Alex Morando (morando.2@osu.edu, fax: 614-292-8547, ph: 614-292-1389) in the Athletics Communications Office. Credentials are mailed when possible. If time does not permit, credentials will be held in the Buckeye Field press box. Credential priority is given to those print and electronic media outlets that cover Ohio State or its opponent on a regular basis. In order to qualify for a credential, a news agency must have a full-time sports director or editor.

ROAD REQUESTS

Please direct all credential requests for Ohio State's road games to the host school's sports information director (see opponent information).

WEB SITES

Media credentials are issued (space permitting) only for individuals who are affiliated with regional television or news media organizations, e.g., USA Today Online, CNN/SI, CBS SportsLine, for institutions that are Big Ten Conference members and non-conference opponents, and for the Big Ten Conference. OSU reserves the right to deny media credentials to any individual whose web site is not affiliated with an official news gathering organization.

MEDIA PARKING

There is no media lot at Buckeye Field, therefore parking passes will not be issued. Please park in the same lot as the general public.

The Buckeyes generally practice from 2-5 p.m. at Buckeye Field. Once Big Ten play begins, the team usually takes Mondays off. Contact Alex Morando for more information.

WEEKLY INTERVIEWS

Please contact Alex Morando in the OSU Athletics Communications Office should you desire interviews with players or coaches. Please call at least 24 hours in advance.

POSTGAME PROCEDURES

Postgame interviews will begin 10 minutes after the final out. Visiting coaches and players are available first on the field in front of the visiting dugout. OSU coaches and players will be made available following the visiting team interviews. A member of the OSU Athletics Communications staff will escort media to the field.

DOUBLEHEADER INTERVIEWS

KELLY KOVACH SCHOENLY HEAD COACH

**1ST SEASON
MICHIGAN, 1995**

Kelly Kovach Schoenly was named head coach of the Ohio State softball team. Heather Lyke, associate athletics director for sport administration, announced June 29, 2012. Schoenly becomes the eighth coach in the program's 40-year history.

"I am honored and humbled for the chance to lead the Buckeye softball program, one I have respected for decades," Schoenly said. "I would like to thank Gene Smith, Heather Lyke, and the entire search committee for this incredible opportunity. What makes this university special are the people, the tradition, and the excellence. My goal is to continue that legacy within our softball program."

"Kelly Kovach Schoenly is the ideal fit for The Ohio State University," Lyke said. "She brings a tremendous focus on the development of the entire student-athlete athletically, academically and personally. Kelly has an outstanding playing and coaching pedigree which is evident by her leadership qualities and the success she has had as a head coach. We look forward to the positive impact she will make on the Ohio State softball program."

Schoenly spent six seasons as head coach at Miami (Ohio) and was the program's all-time winningest coach with 188 career victories, leading the RedHawks to their first MAC Tournament title in 2009 before winning again in 2012. Schoenly also led the team to two NCAA Tournament berths in both 2009 and 2012, respectively. Prior to her stint at Miami, Schoenly was an assistant coach at Penn State (1998-2006) for eight seasons and helped guide the Nittany Lions to seven Big Ten Tournament appearances and six NCAA Tournament berths. Before her time in State College, Schoenly was an assistant at her alma mater, Michigan, for three years (1995-98), helping the squad reach the NCAA Women's College World Series three consecutive times.

At Miami, Schoenly led the team to four consecutive 30-win seasons, including a record-breaking 41-win campaign in 2012. Last season, the RedHawks won three consecutive games in one day at the MAC Tournament to claim the league tournament title and an automatic berth to the NCAA Tournament. She led the RedHawks to a 1-0 upset over fifth-ranked Tennessee in the opening round of the Knoxville Regional. Under Schoenly's leadership, the RedHawks collected 83 wins in MAC play. She had 15 players earn a total of 25 All-MAC honors, three players earn four All-Region honors and two players earn three MAC Player of the Year awards.

In 2012, Schoenly coached Jessica Simpson to MAC Pitcher of the Year honors for the second-consecutive season - only the third pitcher in conference history to win the award multiple times. Schoenly also led the team to its first NCAA Tournament victory in 2009.

Prior to her time in Oxford, Schoenly guided one of the nation's best pitching staffs in 2006, as the Nittany Lions finished the season ranked 12th nationally in ERA (1.36) and limited their opponents to 74 earned runs in 380.2 innings. During her eight-year tenure, Schoenly helped Penn State to seven 30-win seasons, including a program-record 39 wins in 2006. Schoenly also produced two All-America pitchers, including 2005 National Fastpitch Coaches Association Third-Team honoree Ashley Esparza and 2006 Second-Team All-Great Lakes Region pitcher Missy Beseres, the first Nittany Lion in program history to be drafted to play professional softball.

During her stint in Ann Arbor, the Wolverines won two Big Ten regular-season titles, three Big Ten Tournament titles, three NCAA Regional Championships and made three trips to the NCAA Women's College World Series. In addition to being honored as part of the NFCA Great Lakes Coaching Staff of the Year in 1998, Schoenly coached one All-America pitcher, three conference pitchers of the year and six all-conference selections.

During her collegiate pitching career at Michigan (1991-95), Schoenly earned numerous conference and national awards, including 1995 NFCA First-Team All-

America honors. A two-time Big Ten Pitcher of the Year and three-time all-conference selection, Schoenly was a member of three Big Ten Conference Championship teams and played on the 1995 squad, which finished seventh at the NCAA Women's College World Series.

A two-time GTE Academic All-American, Schoenly received her bachelor's degree in elementary education from Michigan in December of 1995. After receiving the NCAA Postgraduate Scholarship, Schoenly went on to earn her master's degree in elementary mathematics education from Michigan in May of 1998.

Schoenly and her husband Doug, a Penn State alumnus and tennis professional, has one daughter, Danielle.

AMANDA BUCHHOLZ ASSISTANT COACH

**FIRST SEASON
NEBRASKA, 2004**

Ohio State softball head coach Kelly Kovach Schoenly announced on July 27, 2012, the hiring of Amanda Buchholz as an assistant coach for the Buckeyes. Buchholz comes from Miami (Ohio) where she spent the last three seasons as an assistant coach under Schoenly.

"I am thrilled and grateful Amanda has decided to join our staff at Ohio State," Schoenly said. "She has so much passion for the game and for developing her players. She is a defensive technician and has a knack for making defensive adjustments that win ballgames. I am confident the players will thrive under her energy and knowledge."

Working with the RedHawk defense, Buchholz helped guide Miami to three consecutive 30-plus win seasons, including a program-record 41-win campaign in 2012 that concluded with a MAC Tournament championship and an NCAA Tournament berth. Along with being in charge of all defensive aspects, she was camp director at Miami, was the staff's leader for marketing and was the liaison to the strength staff.

"One of the qualities that I love about coaching with Amanda is that she models the competitiveness that our players will need to win championships," Schoenly said. "In addition, she will push them to be their best and sets the standards high. She had a great mentor in Coach Revelle at Nebraska and has taken that guidance and ran with it in the last three years."

During her time at Miami, Buchholz helped put together three of the Top defensive units in program history highlighted by the 2010 campaign when the RedHawks broke the team record for best fielding percentage with a .975 mark, breaking the .968 fielding percentage set in 1987 (The .975 fielding percentage was ranked tenth in the country). Her following two defensive squads notched .967 and .966 fielding percentages, respectively, despite having to replace more than half of the starting lineup.

"I am very excited for this opportunity to be part of an amazing program," Buchholz said. "Coach Schoenly does a great job developing players and building elite programs, so I feel humbled she asked me to join her staff. Ohio State has the qualities and players it takes to be the best on and off the field. The support we get from the administration and athletic department is a testament to their dedication to our program and its tradition, people and excellence. I look forward to competing on a national stage and making Buckeye Softball a common name deep into postseason play."

Known as a dedicated worker on and off the field, Buchholz began her coaching career at her alma mater, Nebraska, where she spent six years as a volunteer assistant coach under coach Revelle - a 2010 NFCA Hall of Fame Inductee with more than 750 career wins.

Although she was not an official paid member of the staff, Buchholz put in more than 40 hours of week with the team, while also working for a construction company part time on the side.

Buchholz was the starting shortstop for the Huskers from 2000-03, earning first team All-Big 12 honors, as well as Academic All-Big 12 honors. She led Nebraska to the 2002 College World Series and was named the Most Outstanding Player of the Iowa City Regional. She concluded her playing career in the National Pro Fastpitch League, playing for the Texas Thunder in 2004.

Buchholz first joined the Nebraska softball program in 2000 when she joined the Huskers in mid-March following her freshman season as a guard on the Nebraska

women's basketball team. She immediately saw action on the diamond, starting the final 49 games of the season. Buchholz started every game from 2001-03, ending her career with 235 career starts. Following her addition to the starting lineup, she never missed a start, tying for sixth place in the Nebraska career record book for games played.

In her highly-decorated Husker career, Buchholz was a first team All-Big 12 selection as well as a two-time first team Academic All-Big 12 honoree. She helped Nebraska to a 192-67 record in her four years, the most wins in a four-year stretch in program history. The Huskers won one Big 12 title during her career, while finishing in the Top 15 of the final USA Today/NFCA coaches poll all four years.

After her Husker playing career ended in the 2003 NCAA Tournament, Buchholz jumped into the coaching field that fall, as she became the first head softball coach in the history of Lincoln North Star High School. Buchholz returned to the Nebraska softball program as a fifth-year coach in 2004, as she completed her final semester of work toward her undergraduate degree.

An Ogallala, Neb., native, Buchholz earned her bachelor of science and education degree in middle grades education/coaching from Nebraska in May of 2004.

JENNA HALL ASSISTANT COACH

**1ST SEASON
ILLINOIS, 2007**

Ohio State softball head coach Kelly Kovach Schoenly announced Thursday the hiring of Jenna Hall as an assistant coach for the Buckeyes. Hall, who spent the last five seasons at Ohio University, completes Schoenly's coaching staff that also includes assistant coach Amanda Buchholz.

"I am very excited to add Jenna Hall to our staff," Schoenly said. "Having competed against Jenna for years, I have grown to respect the energy and knowledge she has for the game. Jenna has had two tremendous mentors in Illinois head coach Terry Sullivan and Ohio University head coach Jodi Hermanek. Known for her knowledge in developing hitters, Jenna will also add in other areas of the game as well. Having played in the Big Ten and also in the pros, she has some valuable experiences from which to draw from to share with our athletes."

Hall, who was promoted from assistant coach to associate head coach at Ohio in December 2011, helped guide the Bobcats to the finals of the Mid-American Conference Tournament three times, and the most conference wins in a ten-year period in both 2010 and 2012. In addition, she oversaw three of the best Ohio offensive lineups in school history during the 2009, 2010 and 2012 campaigns, respectively.

"I am extremely excited about joining the softball program here at Ohio State," said Hall. "Being a part of coach Schoenly's staff is a great honor and I am really looking forward to working with her. I have always respected both Kelly and Amanda as coaches and this is a wonderful opportunity to learn and work with them."

Serving under head coach Jodi Hermanek, Hall helped guide the 2012 team to the best offensive season in program history as the Bobcats broke school records for most home runs (47), RBIs (255) and runs scored (293) in a single season.

"We're very thankful for the dedication and leadership she has provided Ohio Softball for the last five seasons," said Hermanek. "I'm confident that, through her pedigree as a student-athlete and her coaching experience at Ohio University, she will have tremendous success with the staff in Columbus."

After Hall helped coach Ohio to a postseason berth in 2008, she worked with an offense in 2009 that recorded offensive marks that rank among the Top 10 in seven offensive categories, including hitting (fourth), runs scored (eighth), hits (10th), home runs (fourth), doubles (tied-fifth), triples (tied-fourth) and RBI (ninth). Hall helped the 2010 offense record the tenth highest batting average and RBI, in addition to breaking the schools home run record with 33.

"I am very much looking forward to my days ahead as a Buckeye and a member of this highly-successful athletic department," said Hall. "I hope to help bring as much success as I can to these players both on and off the field so we as a staff can keep the tradition of excellence alive within Ohio State Softball."

The Bobcat offense grew its power numbers under Hall during the 2011 season. She topped the single-season record of 33 home runs during the 2010 season, with a new program-record 35 during 2011. The Bobcats also tallied 190 RBIs in 2011, which is the third-best total in single-season history.

Under her tutelage, the 2009 squad hit a conference-best .292 as a team, while their .351 on base percentage also ranked tops in the league. In addition, Ohio ranked second in the MAC in both slugging percentage at .414 and in doubles with 65, and ranked third in RBI (172), triples (13) and total bases (522). That was followed by a 2010 squad that hit .278 in MAC play.

In addition to helping produce productive offenses, Hall also showed her ability to develop talent in five seasons in Athens. Courtney Waters (2008) and Alexis Joseph (2009) garnered All-Region recognition under her coaching, with Joseph receiving first team honors. In 2012, Lauren Gellerman, who batted .340 with a .660 slugging percentage, was named a first team All-MAC and All-Mideast region selection, while Jillian Van Wagnen notched second team All-MAC honors after batting .362 with 64 hits. In all, she coached 18 All-MAC selections during her time at Ohio.

Prior to her time in Athens, Hall served as the student assistant coach at her alma mater - Illinois - under head coach Terri Sullivan. While at Illinois, she left her mark on the program as a four-year starter and team captain, in addition to planting her name in the school's record books.

"Jenna was one of the most talented players I ever coached, but what separated her from others was her love of the game and work ethic," Sullivan said. "I have no doubt that she will do great things at Ohio State as her career continues to grow."

The Fighting Illini's all-time record holder for best career and single-season batting averages, Hall is also the program's all-time single-season fielding percentage record holder. As a senior, she led the nation in walks and was a finalist for the USA Softball Player of the Year Award. She was also selected to the NFCA All-American first team list and was a NFCA Scholar Athlete. She graduated in May 2007 with a degree in history.

Hall concluded her professional career playing for the Philadelphia Force, a professional team with the National Pro Fastpitch League. In her first year with the Force, she was selected to the NPF All-Star Team.
